^{*}What is a "Bond Holder"? A Bond Holder is an official member of the Oreland Swim Club. Each bonded member is required to purchase a Bond for a one-time fee of \$450.00 **and** pay yearly dues for a minimum of five consecutive years. (Applies to Bonds purchased 2012 and after- bylaw update 2012). One of the many benefits is you pay a reduced summer dues rate, and the bond pays for itself in three years. After the initial five year period, you may continue to hold your Bond as long as you like **or** you may sell your Bond back to the swim club, in which case your \$450 deposit will be returned to you **after** the club "resells" your Bond.
